13.30 -14.30 Light lunch and networking	

After closing: 14.30 – 15.30 Open door Business meeting of Scientific Committee on Education and Training in Occupational Health (SCETOH)

Within this symposium we will address:

- **international topics and perspectives**
- **international challenges and solutions**
- **in China, Japan, India, Africa, Australia, Americas, and Europe**

We will accommodate **leading organizations** in occupational health, address the current situation and promote discussion in needed areas:

- **agriculture**
 - **hospital workers**
 - **students in vocational schools**
 - **effectiveness in occupational health services**
- 

Family medicine doctors: what should they know of workers health?

How to turn our differences into our advantages?

Is there such a thing called a **holistic** approach?

Leading associations will join us (**ICOH, ENETOSH, EASOM, WONCA, ILO/ITC**)

Will you join us too?

National organizing committee
